The Aids Memorial Quilt Returns to Indy - In the spring of 1990 a group of ISD students made a 3'x6' panel in memory of 1983 ISD graduate, James Stafford, who died December 1, 1989, from complications of AIDS. It was sent to California where it was joined to 15,000 other panels in the international AIDS Memorial Quilt. More than 1100 panels, including James's, will be at the Indiana State Fairgrounds Agricultural Building from May 7-10. At least one team of 8 volunteers of ISD students and dorm staff will be on hand to help unfold the quilt at the opening ceremonies at 6:00 p.m. May 7. The ceremonies which will be interpreted in ASL will include remarks by Mayor Goldsmith, speech by Jeanne White, (Ryan's mother), readings of the names in the quilt, and performance of songs and poetry by the Indianapolis Men's Chorus. The Peer Advisors at ISD are planning a program in the dorm Wednesday evening May 6 at 7:00 to promote the awareness of AIDS among the students and staff and encourage all to see the quilt. A section of 8 panels from the quilt will be at ISD on Wednesday. The quilt will be on display all day Friday and Saturday, and on Sunday till 3:00. The closing ceremonies on Sunday at 3:00 will also be interpreted in ASL and will feature the Indianapolis Children's Choir and Dance Kaleidoscope. New panels from the Indianapolis area will be accepted on Saturday afternoon at 3:00 p.m. This special ceremony will also be interpreted in ASL. The quilt itself is a beautiful reminder that there are names attached to the statistics - fathers, brothers, sons, friends, co-workers, lovers - who are not forgotten. It was started as a way for family and friends to express their grief at their loss. Come see it and understand.
